We feature one winery in each class, partnering winemaker with chef for a unique tasting and educational experience. For gourmet food companies, cooking classes also present a great opportunity for product sponsorship, integrating your brand in the classes signage, course instruction and sampling.

### **Wine Tasting Classes:**

Trendsetters and legends unite in the Festival's series of wine tasting classes. Opportunities exist for wineries to have their winemaker as part of a panel discussion, or have your wines featured in one of the classes. Prior topics have included: Napa AVA Panel Discussion led by Master Sommelier Joseph Spellman, Paso Robles Taste Tour and Panel Discussion led by Master Sommelier Bob Bath, Simply Sensational Syrah led by winemaker Kerry Damskey, and many others.

### **Winemaker Dinners and Luncheons:**

With over 60 restaurants and star chefs participating in the Festival numerous opportunities exist for winemakers to set up dinners and luncheons while in town for the event. The Festival supports the marketing of this effort by promoting all dinners and luncheons on the website and encouraging all attendees to take part in these dinners through our scheduled program. Wineries interested in setting up a dinner or luncheon should contact one of the restaurants participating in the event, determine a date, menu and price and then contact Festival management with the details. We will then publish your dinner or luncheon on our website.
